

David Whalley

Working hard for Pendle Central all year round

Lancashire Labour working for us in Pendle Central.

Adult and Community Services

In Pendle we look after and support more than 1600 people at home, and care for 500 people in residential homes. We provide a first class Trading Standards and Welfare Rights service.

Children and Young People

37 primary schools and 6 secondary schools. More than £50m spent on educating our children locally in Pendle.

Highways and Public Transport

Extra investment to maintain Pendle's 292 miles of road and 11,555 street lights. 22 school crossing patrols and supporting 14 local bus routes in Pendle

Libraries

9 libraries and mobile libraries in Pendle offering 140,000 books, 13,000 CDs and DVDs, and free internet access.

Environment

Providing Household Waste Recycling Centres, taking action on climate change, supporting green initiatives, and working to cut carbon emissions in Lancashire.

£10 million Colne New Health Centre: "This is a major investment by the Labour Government on a site I had promoted from the start" says David.

Surestart Children's Centre Colne: This is a Labour initiative that is helping young families to cope with modern day pressures.

Pendle Vale College and Pendle Community High School: These brand new schools show Labour's commitment to our young people.

A Fairer Future for Lancashire

"I work hard all year round, not just at election time, to make sure local services improve and our area is not neglected.

I know times are hard and how important it is that we have local representatives who are on our side."

Fighting for jobs and Lancashire's economy

Lancashire's economy is our number one priority. We will ensure it is the strongest it can be. Labour will keep fighting for local jobs for local people. We are proud of our apprenticeship scheme giving young people the best possible chance in life. We will support local business and encourage investment in Lancashire.

A cleaner, greener and safer Lancashire

Labour will cut the county council's carbon emissions. We will ensure that Lancashire's recycling facilities are of the highest quality. With Labour, Lancashire is the safest county in Britain. To reduce anti-social behaviour and make our communities safer and stronger, we will continue to work with and invest more in the local police.

Helping older people lead fuller lives

We are proud of our record, providing quality services for older people. Labour Lancashire gives support to far more people than any Tory or Lib Dem council. We want as many people as possible to live independently, but for those who can't, we provide care to the highest standards. Our new Help Direct service will support people to live in comfort and security and get the helping hand they need.

Investing in our young people's future

We are providing more services than ever for our young people, fighting for their future by securing millions of pounds to build new schools across Lancashire. Labour has created a free nursery place for every 3 and 4 year old, and our innovative and exciting Children's Centres are giving our children the best start in life.

Standing up for people in Lancashire

Labour is strongly rooted in the community. We passionately believe in fighting for and delivering for local people. We work all year round - not just at election time and we are extremely proud to represent the people of Lancashire. Labour Lancashire is recognised as an excellent, forward thinking, modern council at a regional, national and international level.

Dear Resident,

It will be a huge honour to represent people in Pendle Central. I am proud of our community and will be proud to stand up and fight the corner for our area on the County Council.

I work all year round, not just at election time, to make sure local services improve and our area is not neglected. I know times are hard, and how important it is that we have local representatives who are on our side.

Managing public services so that the money from taxation is targeted to where it will be of greatest benefit to the greatest number is one of the most difficult tasks faced by any government.

Nevertheless, the Labour Government has already provided a brand new Surestart Children's Centre for Colne, a new Pendle Family Centre, completely rebuilt Walton High as Pendle Vale, and now a £10 million new health centre for Colne has got the go ahead.

Lancashire's Labour County Council is one of the leading authorities in the country. Our unique economic development company, Lancashire County Developments Ltd, provides grants and loans to businesses across the county, safeguarding and creating jobs. With an eye to the future, the County Council has developed one of the largest good-quality apprenticeship schemes in Britain.

I do hope you will support me on 4th June, and if there are any issues or problems you would like to discuss, please do not hesitate to get in touch.

With Best Wishes,

David Whalley
