This weekend Andrew Stephenson was in Colne handing out leaflets about the Conservative Party proposals for the NHS.

The campaigning was warmly received as many people stopped Andrew to ask him questions about the NHS. The campaign team also handed out hundreds of flyers on the issue and a pledge card promising to give cancer patients the drugs they need, for free on the NHS.

Andrew is currently leading the campaign to stop NHS bosses closing down our Children's Ward in Burnley and is continuing to fight against Labour's closure of the A&E service also at Burnley.

For more information about Conservative Party proposals on the NHS or any other policy please visit www.Conservatives.com/policy or contact us on 01282 614748.
