

Pendle CLP Resources Library

Information about the Resources Library.
Pendle CLP Secretary, David Foat 2009

The Library catalogue may be copied/saved to your computer as a PDF (portable document file). By converting it to a Microsoft Word Document (using programmes such as Adobe Acrobat – but not the free download Reader version) it may then sorted by author, title, date, publisher, ISBN or category using Microsoft Word table tools. This electronic format of the catalogue can also be requested from pendle.labour@btconnect.com or a copy can be obtained by phoning 612573 or writing to CLP Secretary 33 Carr Road Nelson BB9 7JS.

The books are shelved at 33 Carr Road by the categories indicated below and then in author alphabetical order. Some of the older books and especially the older paperback books are very fragile and some may even be a bit rare. Some of the books are therefore “reference only” unless you are known to Pendle Labour Party. A photocopier and scanner are available on the premises by request for which there will be a small charge.

The Pendle CLP Resources Library is available by appointment only. While it is a hackneyed truism that it is the victors who always write the history, I am mindful that Pendle CLP would not wish to be accused of Socrates’ crime of ‘corrupting the youth’ for which he felt obliged to self-administer a death penalty! Some of the material, although very interesting from an historical research perspective, is quite clearly out of date and/or outmoded. Some of the Wartime and racist propoganda is absolute outrageous falsehood. Pendle CLP will therefore exhibit the proper fiduciary duty of care towards young people requesting this material.
